SAFETY IS OF UTMOST IMPORTANCE AT SIERRA AUCTION

We ask that you cooperate with us by abiding by our safety rules:

1. If you see an unsafe condition, please notify a Sierra representative immediately. We have representatives stationed in each selling room as well as outside.
2. The front door entry and walkway from Room 1 to Room 2 need to be kept clear for safety reasons in the event of an emergency. Please help us by not standing in this high traffic area.
3. Sierra has been a family affair since we opened the business 30 years ago. However, due to safety concerns and large crowds, it has become necessary for us to initiate a policy of **NO CHILDREN UNDER THE AGE OF 16**. We hope you will cooperate and understand the need for this policy.
4. Service dogs are the only animals allowed on the property. This is for the safety and well being of our customers.
5. Sierra does not allow weapons (visible or concealed) on the premises per Arizona statues.
6. Please watch for moving auction vehicles and avoid standing in a position to block or impede moving vehicles. This will keep you safe and allow the auction to move rapidly. This will keep you safe and allow the auction to proceed in an orderly fashion.
7. Sierra will not release keys for vehicles that have been sold until we have determined that it is safe to do so.
8. Load out of each room and locations in the yard will be permitted after the last lot is sold in that area. However, keep in mind that if you need to enter with your vehicle, you will not be able to do so until the last vehicle is sold. Remember, no removal is permitted without a PAID receipt. It is the buyers' responsibility to remove all items purchased. A Sierra representative will assist when possible. Sierra is not responsible for breakage or damage that occurs after the item is declared "SOLD" or during removal.
9. Please visit the Information Booth for any questions. If the booth is not manned, look for a Sierra representative.

VEHICLE DESCRIPTIONS

1. **“Starts/Runs/Drives”** vehicles - are driven through the auction sale area at a very slow speed so that buyers can better determine vehicle value by listening to the engine and visually seeing the vehicle run. Under no circumstances does Sierra warrant that these vehicles are free from defects in the engine, transmission, or drive train. It simply allows the buyer to have a level of confidence that the vehicle can move forward/backward.
2. **“Selling Stationary”** vehicles - are sold with a key and have been deemed unsafe to be driven or undrivable, but do start either on their own or through the use of a battery jump start.
3. **“Non-Runner”** vehicles - are those vehicles sold with or without a key and cannot be started. Vehicles in this category could include engine problems, missing parts, collision vehicles, or virtually any other issue that would cause a vehicle to be a non-runner.

BOX A – Actual Mileage.

BOX B – Mileage exceeds the mechanical limits of the odometer.

BOX C – True Mileage Unknown.

ALL Vehicles Are Sold “AS IS WHERE IS”

It is the responsibility of the bidder to understand the manner in which items are being sold. THE BIDDER MUST UNDERSTAND WHAT HE/SHE IS BIDDING ON AND HOW IT IS BEING SOLD; IF NOT, PLEASE ASK OR DO NOT BID!

AUCTION TERMINOLOGY

The following is a list of words or terms that you should be familiar with when bidding. If you have questions about any of these terms or any others that the auctioneer may use, we encourage you to familiarize yourself with them prior to bidding.

Times the money: The expression "times the money" is used when two or more like items are being sold at one time; in this instance your bid is multiplied times the number of items being sold. Example: Lot number 142 is four identical Cell Phones and the auctioneer announces that the auction lot is being sold "times the money". The high bidder purchased lot 142 for \$100. In this example, the successful bidder bought each of the four Cell Phones for \$100.00 for a total of \$400.00 (4 x \$100= \$400).

Choice: On occasion, there will be multiple lots of identical or similar items sold consecutively in the auction. In some instances the auctioneer will sell those consecutive lots via "choice". When selling "choice", the auctioneer is offering more than one item up for auction at a time. The winning bidder then has the choice to take one item or multiple items. If the bidder wishes to take more than one item, the bid price will be multiplied by the amount of items the bidder chooses. **THE WINNING BIDDER MAY BUY ALL THE ITEMS!**

Choice in Order: When the auctioneer announces that the items are being sold "Choice in order", it means that the buyer may choose to take the first numerical lot of those announced as currently being sold, or as many, or all items, as they choose to take, but must take them in sequential number order, and will pay the bid price for each of the lots that the successful bidder wishes to purchase.

AS-IS: All items are sold without warranties as to the condition and/or the fitness of the property for a particular use. Buyers are solely responsible for examining and judging the property for their own protection; otherwise known as "As Is, Where Is" and "In its Present Condition.

Bidder Number: Individually numbered card with your unique bidder number. This will identify you to the auctioneer as the successful bidder.

Bidder Registration: The process of registering your identity and ability to pay for successful bids. This is essential before bidding.

C/W - Comes With

A/T - Automatic Transmission

M/T - Manual Transmission

CNG - Compressed Natural Gas

ANNOUNCEMENTS: Any announcements made by Sierra staff or auctioneers on the day of the live/online simulcast auction shall take precedence over any previously distributed information or advertising. By participating in the auction, you have agreed to abide by these announcements.

ADDITION TO OR WITHDRAWAL FROM SALE: The auctioneer reserves the right to withdraw from the sale any property listed and also to add property not listed to the sale. Also, the auctioneer may group lots or subdivide lots in order to benefit the seller.

ALL SALES ARE FINAL. ALL ITEMS ARE SOLD "AS IS-WHERE IS," WITH ALL FAULTS AND WITHOUT WARRANTIES. Catalog, web, and ad descriptions are NOT GUARANTEED. Sierra is not liable for any errors, omissions, or inaccuracies in the catalog or other written or verbal descriptions even if caused by Sierra's gross negligence. Bidders are responsible to thoroughly inspect items before bidding and to satisfy themselves of such matters as to suitability, marketability, completeness, year, make, model, and/or condition. IF YOU ARE UNSURE AS TO ANY MATTER, SIERRA URGES YOU NOT TO BID. YOU MAY NOT RELY ON SIERRA'S DESCRIPTIONS OR INFORMATION, WRITTEN OR VERBAL. The auctioneer reserves the right to reject any and all bids. The auctioneer shall have the right to bid on behalf of the seller. It is your responsibility to bid up to a number with which you are comfortable. You control how much you are willing to pay for an item. All auction sales will be recorded by audio and/or in writing. This recording of the bidder's number and the bid amount shall be prima facie evidence of the circumstances of the sale, and all disagreements will be resolved with this record. Please clearly show your bidder number to the auctioneer. Please confirm the auctioneer correctly states your bidder number and the final bid amount. Sierra is not responsible for any loss or damage to any sold auction items. Title (ownership) and risk of loss or damage transfers to Bidder as soon as each individual lot is sold, subject only to Sierra's right to reconcile the auction. Errors by auctioneer shall make the sale voidable at auctioneer's sole discretion. Sierra is not responsible for accidents, damages or stolen goods. All counts are approximate. Purchaser should monitor their purchases during the auction; if it is damaged or missing it is the bidders' responsibility. Sierra urges all Bidders to remove all lots from the auction site as soon as possible and no later than the close of business on auction day, with safety and security as the top considerations. ABSOLUTELY NO REFUNDS.

REMOVAL OF PURCHASED ITEMS: SIERRA DOES NOT OFFER STORAGE SERVICES. No item may be removed from the auction site until it is paid for in full and partial payments will be considered additional non-refundable deposits towards the purchase. To avoid daily storage fees, all lots must be removed from Sierra's facility on the date specified in the special terms and conditions. In certain situations, Sierra, in its sole and exclusive judgment, may allow certain lots Sierra deems difficult to move to be removed on date mutually agreed upon. A DAILY STORAGE PENALTY of \$5.00 per lot, per day for non-titled lots, and \$20.00 per day for any lot that has a title shall be charged for all lots not removed on specified removal date. Lots larger than a standard pallet shall be charged \$5.00 per day for every 15 square feet of storage space utilized. Any item not removed within 72 hours following the removal date or the mutually agreed upon date will become the property of Sierra, WITHOUT EXCEPTION. Any unsalable items that are not removed will be disposed of at the Buyer's expense, typically \$25 per lot or partial lot. Buyer is solely responsible for the safe removal of all their purchases. Sierra, at Buyer's request, and in its sole discretion, may assist Buyer in the removal of its goods. Buyer may be charged Sierra's current hourly rate for workman and forklift or other equipment utilized. In the event any work is requested after 3:00 PM or on non-standard Sierra workdays, Sierra may charge Buyer 1.5 times its standard hourly rate. Buyer shall hold Sierra, its employees, officers and directors harmless for any and all damage, injury or liability regarding the removal of its purchases, notwithstanding Sierra assistance in item removal. All lots and purchases must be removed in full. No removal of partial lots shall be allowed; inquire about shipping options.

INJURY: All persons attending our live or on-site auctions are notified that an auction site is a potentially hazardous place. Flammable, noxious, corrosive and pressurized substances are present, heavy equipment is being operated and electric circuits may be live. Every person at the auction site before, during and after the sale shall be deemed to be there at his or her own risk with notice of the condition of the premises, the activities on the premises, and the conduct of third parties. All registered bidders shall so advise their guests, agents, and employees. NO PERSON(S) SHALL HAVE ANY CLAIM AGAINST SIERRA, ITS EMPLOYEES, AGENTS, AUCTIONEERS, CONTRACTORS, OFFICERS, OR PRINCIPALS FOR ANY INJURIES SUSTAINED, OR FOR DAMAGES TO OR LOSS OF PROPERTY OR PROFIT WHICH MAY OCCUR FROM ANY CAUSE WHATSOEVER. No Children under the age of 13 are permitted on property. Persons attending during preview, exhibition, sale, or removal of goods assumes all risks of damage or loss to persons and/or property and specifically releases the auctioneer from liability therefor. Neither the auctioneer nor his principal shall be liable by reason for a defect in or condition of the premises on which the sale is held.

SELLER CONFIRMATION AND UNRESERVED ITEMS: Sierra's policy allows our consignors to determine if they wish to place a minimum bid or "Seller's Confirmation" on any lot. Not all reserved items are noted in the description - auctioneers are given the authority to bid on behalf of the seller. You and you alone as an auction participant determine what you are willing to pay for all assets. Please stop bidding if you feel you have reached your maximum comfort level. All other lots will be sold to the highest bidder. However, Sierra reserves the absolute right, at its sole and exclusive judgment, to withdraw any lot from sale, or add new lots to the sale at any time up to the item being declared sold.

TITLES AND 3-DAY TEMPORARY VEHICLE TAGS: In some instances, Repossession Affidavits or court documents will be given in lieu of a title. These documents allow a buyer to obtain a valid title at any state authorized title agency. Computers with internet connection are supplied for the purchase and printing of temporary vehicle tags. A \$1.00 user fee (subject to change) per 3-day tag is due immediately and payable by credit card or debit card ONLY.

ARBITRATION: In the event a dispute shall arise between the parties, it is hereby agreed that the dispute shall be referred to an accredited arbitration service at the sole discretion of Sierra. Arbitration shall be in Phoenix, AZ, and held in accordance with the applicable Rules of Arbitration. The arbitrator's decision shall be final and legally binding and judgment may be entered thereon. Each party shall be responsible for its share of the arbitration fees in accordance with the applicable Rules of Arbitration. In the event a party fails to proceed with arbitration, unsuccessfully challenges the arbitrator's award, or fails to comply with the arbitrator's award, the other party is entitled to costs of suit, including a reasonable attorney's fee for having to compel arbitration or defend or enforce the award.

BY PARTICIPATING IN ANY OF OUR AUCTIONS I (the customer) UNDERSTAND AND ACCEPT THE ABOVE TERMS AND CONDITIONS, ESPECIALLY THE KEY TERMS THAT ALL ITEMS ARE SOLD AS IS, WHERE IS, WITH NO GUARANTEES OR WARRANTIES. I AM SOLELY RESPONSIBLE FOR DETERMINING THE IDENTIFICATION, CONDITION, AND/OR USE OF ALL ITEMS PURCHASED. REFUNDS WILL NOT BE ISSUED AS A RESULT OF ANY DESCRIPTIVE ERROR GIVEN BY THE AUCTIONEER OR AS A RESULT OF MY FAILURE TO PROPERLY IDENTIFY THE ITEM, ITS CONDITION OR USABILITY. I ACKNOWLEDGE THAT SIERRA IS NOT LIABLE FOR ANY INJURY OR LOSS TO MY GUESTS OR ME.
