| 228 | 1 | American Panel HURRiCHiLL Blast Chiller / Shock Freezer | American Panel AP12BCF110-3 HURRiCHiLL 12 Tray Blast Chiller / Shock Freezer. SN: 0814-101812, 208v 3ph. 74.0" x 32.5" x 36.13". The blast chiller allows the product core temperature to be reduced from 160°F to 38°F in 90 minutes, so that the food can be kept longer with its original texture, flavor and aesthetic qualities. After blast chilling, the food can be preserved at a temperature of 38°F for up to 5 days, after which it is reconstituted to serving temperature. The appearance, texture, aroma and flavor are all unspoiled. (848714) | 848714 |
