TOP DOLLAR FOR THE ESTATE

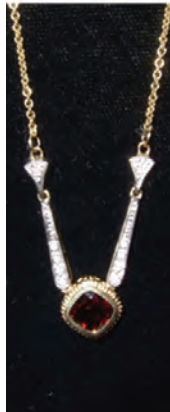

We are marketing experts! You can count on us to bring in the right buyers to achieve top dollar. Our aggressive marketing team sends thousands of direct mail pieces and email blasts each month. We utilize additional multimedia advertising and telemarketing ensuring that new, qualified buyers attend each and every auction.

YOUR TIME IS VALUABLE

Because we understand that you're busy, we make every attempt to respond to your requests quickly (within 24-48 hours). You will be assigned a single, dedicated person to handle your case; increasing efficiency in meeting your needs.

ONLY ACTUAL EXPENSES CHARGED

Sierra goes the extra step to ensure that all expenses charged to you are our actual costs and the lowest achievable rates.

RECORD REMOVAL AND RECOVERY

Sierra has been working with Bankruptcy Trustees for over 10 years. We understand the sensitive nature of estate documents. Sierra has the ability to remove and securely store documents. We will also provide a Certificate of Destruction for all records we destroy.

COURT APPROVED DOCUMENTS

We will prepare the documents necessary for you to file in each case. We will ensure that orders are granted and that the sales are properly noticed before proceeding with the sale of the assets.

ASSET PRESERVATION

We know that, from time to time, it is necessary to lock out a debtor and secure assets. We are able to provide the full range of processes from completing the lock out to handling the security.

TRANSPORTATION AND STORAGE

We have our own trucks and can quickly retrieve assets. Sierra has 12,000 square feet of indoor storage space, 2,000 square feet of vehicle storage and several on-site storage trailers to meet your needs.
